

'All About Me' Transition booklet.

Dear Parents,

Just a quick note to explain our transition booklet 'All About Me'. Please could you spend some time together with your child and help them to complete the booklet? 'All About Me', will give us extra knowledge about your child and all the staff in school will have access to a copy, so they know who your child is and how to help them.

It's best if the opinions and views in 'All About Me' are your child's and we really don't mind what is written in the booklet!

It is their first opportunity to give information from their point of view.

The following people may be involved in helping to complete the booklet:

- Teachers
- Pupil
- Parents
