Dear Parents and Carers,

All Early Years children attending Abbey Park Pre-School, Nursery and First School will have a personal on-line Learning Journey which records photos, observations and comments in line with the Early Years Foundation Stage, to build up a record of your child’s experiences during their time with us.

We use Tapestry, an online system, which is hosted within the EU on secure servers. The benefits to yourselves from Tapestry being on-line means you will have secure access (via a website or mobile app, which you login to using your e-mail address and a password) to your child’s Learning Journey and, in addition to viewing our contributions, we encourage you to add to it by uploading photos and comments, or commenting on observations made by us.

Once you have provided the school with an e-mail address we will be able to set you up with an account and password. We will also give you detailed information on how to view/use your child’s Learning Journey. If you do not have access to e-mail your child is still able to have an on-line Learning Journey which you can access through the use of school computer equipment when available, upon request.

In order for your child’s Learning Journey to be created please give us permission by completing the attached slip. Also, if you provide your e-mail address we will set up an account enabling you to access your child’s learning journey via the secure Tapestry website for your child’s class. (Please note each parent only has access to their own child’s Learning Journey).

If you have any questions or queries about the on-line Learning Journeys please do not hesitate to ask your child’s class teacher.

Many thanks

Claire Mitchell  
Head of School
